

The Christian wedding ceremony is a sacred occasion when two persons declare before God, their families and friends, their desire to be united by the church in a “holy estate instituted by God”.

Believing that God has ordained marriage and that every wedding performed at Trinity United Methodist should be Christ honoring, the following policies have been established with regard to weddings performed at Trinity.

The Mission of the Wedding Ministry at Trinity is to provide guidance to couples in planning their wedding ceremony, making it a meaningful and beautiful celebration- signifying a new beginning of a man and woman joining their lives together for a lifetime.

General Information

Facilities

The Worship Center seats 700 with the interior wall closed and up to 1,400 with the wall open. The wall will remain open for ceremonies except when the reception is held here at the church. The closed area creates the Banquet Area. The Worship Center was designed to reflect the simple beauty of things holy and does not need elaborate additional decorations. The focal point of the ceremony is the bride and groom standing in front of the stained glass window– a cross that centers the Worship Center ceiling to floor.

A Bride's Room is available for dressing in the Worship Center.

The Banquet Area of the Worship Center can be used for receptions. This area seats up to 300 guests at round tables. A full service kitchen is located off the Banquet Area.

The Chapel is available for smaller weddings. It is located just south of the Educational Building, and seats 135 people for a ceremony. A Bride's Room is available for dressing and is connected to the Chapel by a covered walk way.

Though one may be overpowered by another, two can withstand him

Wedding Photo and Video Guidelines...

The ceremony of Christian marriage is a sacred occasion when two persons enter into solemn covenant with God and with each other in the presence of family, friends and members of the community of faith. The purpose of the ceremony, like that of every worship service, is to praise and glorify God.

Many couples wish to remember the holy occasion through still and/or video pictures.

Please provide your photographer with the following guidelines.

Trinity welcomes both professional and amateur photography provided it does not distract attention from worship. To provide couples and their families with photos and video opportunities in keeping with the sanctity and integrity of the worship service, we have established the following policies.

1. NO FLASH PHOTOGRAPHS will be taken during the ceremony.
2. Photography sessions held inside the Worship Center and Chapel before the service must end at least 45 minutes before the ceremony is scheduled to begin. Photos of the bride and groom and the wedding party may also be taken in the Worship Center after the service. Post wedding photography may not exceed 30 minutes. This is strictly followed as the custodian needs to get the Sanctuary ready for Sunday Worship.
3. “Roaming” during the ceremony is not permitted. The ceremony begins when the music starts and is concluded when the music ends. Professional photographers may take non-flash stationary photographs and are to remain in the rear of the Worship Center. Photographers are not permitted in the aisle during the processional or recessional.
4. For Worship Center pictures, lighting provided will be the house lights. This light is adequate for your needs. Additional lighting requires the use of the Sound Tech for an additional fee. Please verify this with your photographer. The Chapel is a glass enclosure, with natural and artificial light.
5. Video taping is permitted and only using available light. Video taping must remain stationary at the back of the room.
6. The bride and groom are responsible for ensuring that family, friends, and professional photographers observe these policies in detail. Please provide a copy to your photographer and video personnel.

We deeply appreciate your cooperation on this sacred and memorable occasion. A sign will be properly displayed near the entrance of the sanctuary asking your guests not to use photo or video cameras and to turn their cell phones off once they have entered the sanctuary and chapel.

To the Bride and Groom,

As you are planning your wedding, please remember that bridal books paint a flawless wedding and give us false impressions about what you can expect when you plan your special day. In many ways, this is just a dress rehearsal for the marriage to come. Issues relating to money, communication, decision-making and relatives often surface during this time of planning. These conflicts can teach us about ourselves, our spouse-to-be and our strengths and weaknesses as a couple. Couples need to grow and learn from this wonderful experience. Pay close attention to each other, because from your planning process, valuable life lessons can be learned: neither weddings, nor the very human being you are marrying, is perfect. If you do expect them to be, then you miss the essential point of love.

We at Trinity require pre-marital counseling classes. Please contact Elizabeth Ray (352-376-6615) Not only do you qualify for a reduced marriage license fee, you reward your marriage with understanding that this commitment is forever.

Please call me with any questions you have. Looking forward to meeting you and helping you plan your special day.

*Wishing you God's blessing,
Trinity United Methodist Church*
